CORPI E VOLTI SCOLPITI ORIGAMI

PREFAZIONE

Questo libro si differenzia dagli altri miei di origami sculture per la presentazione di maschere d'animali e soprattutto nudi femminili.

Risulta indispensabile adoperare cartoncino 160 gr.

Le pieghe devono essere realizzate sia per dritto che per rovescio.

Una volta ultimato il modello, bloccare le pieghe fondamentali con mollette, vaporizzare acqua e riscaldare con asciugacapelli.

This book differs from my other origami sculptures for the presentation of animal masks and especially female nudes. It is essential to use 160 gr cardboard.

The folds must be made both on the right and the wrong side.

Once the model is finished, block the fundamental folds with clothespins, spray water and heat with a hairdryer.

Este libro se diferencia de mis otras esculturas de origami por la presentación de máscaras de animales y especialmente desnudos femeninos.

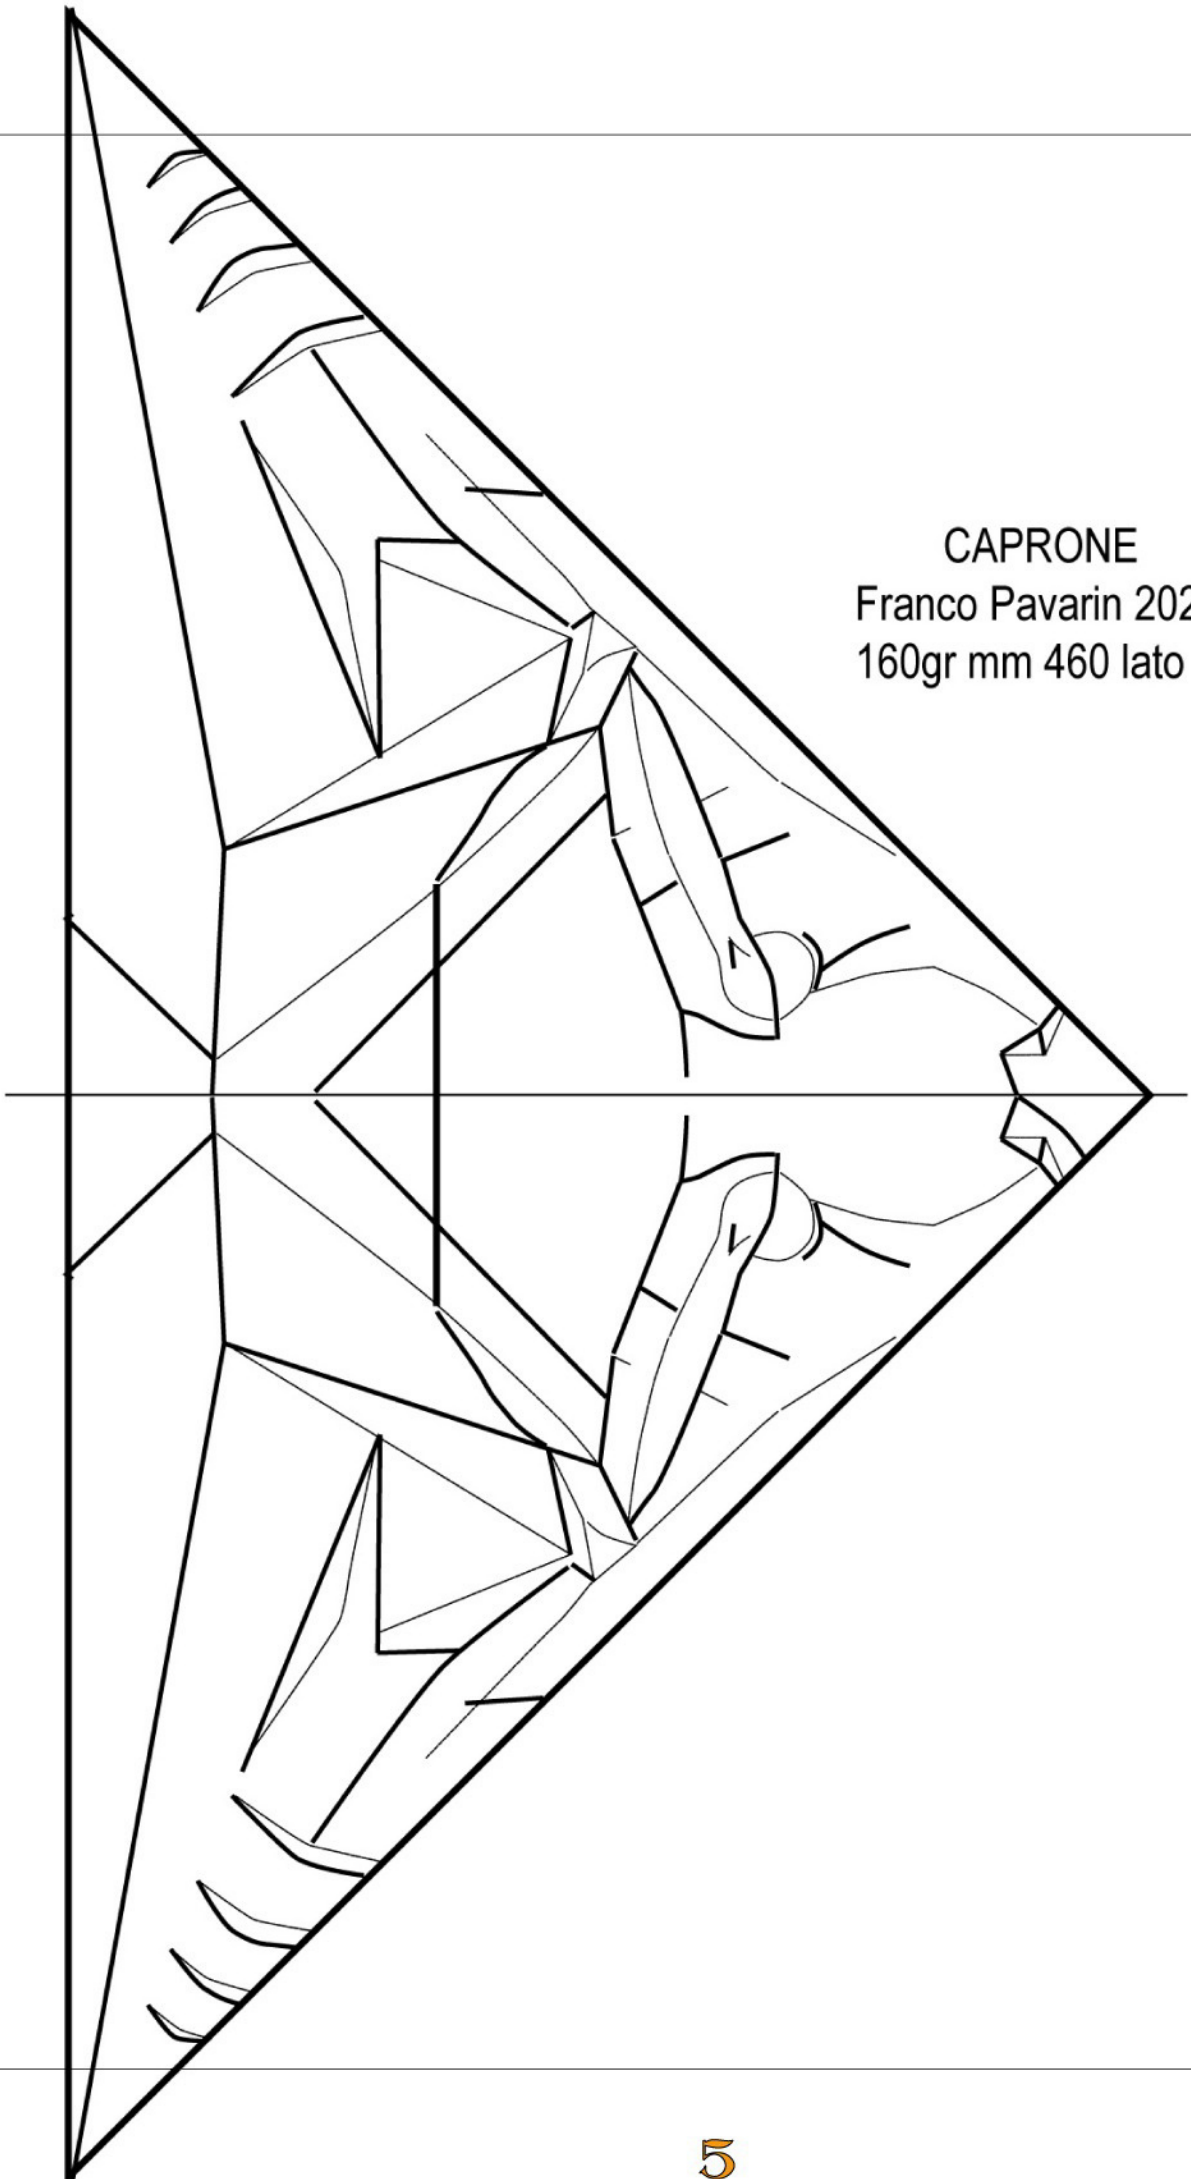

Imprescindible utilizar cartón de 160g.

Los pliegues deben hacerse tanto bien como mal.

Una vez completado el modelo, bloquear los pliegues fundamentales con pinzas para la ropa y agua pulverizada y calentar con secador de pelo.

GATTO

The image features a complex, abstract geometric pattern composed of numerous black lines of varying thicknesses. These lines intersect to form a variety of polygons, primarily triangles and quadrilaterals, creating a tessellated effect. In the center of the composition is a stylized silhouette of a cat's head, facing right. The cat's features, including its ears, eyes, and whiskers, are defined by the same geometric lines as the background. The overall aesthetic is minimalist and architectural.

CANE CHE DORME

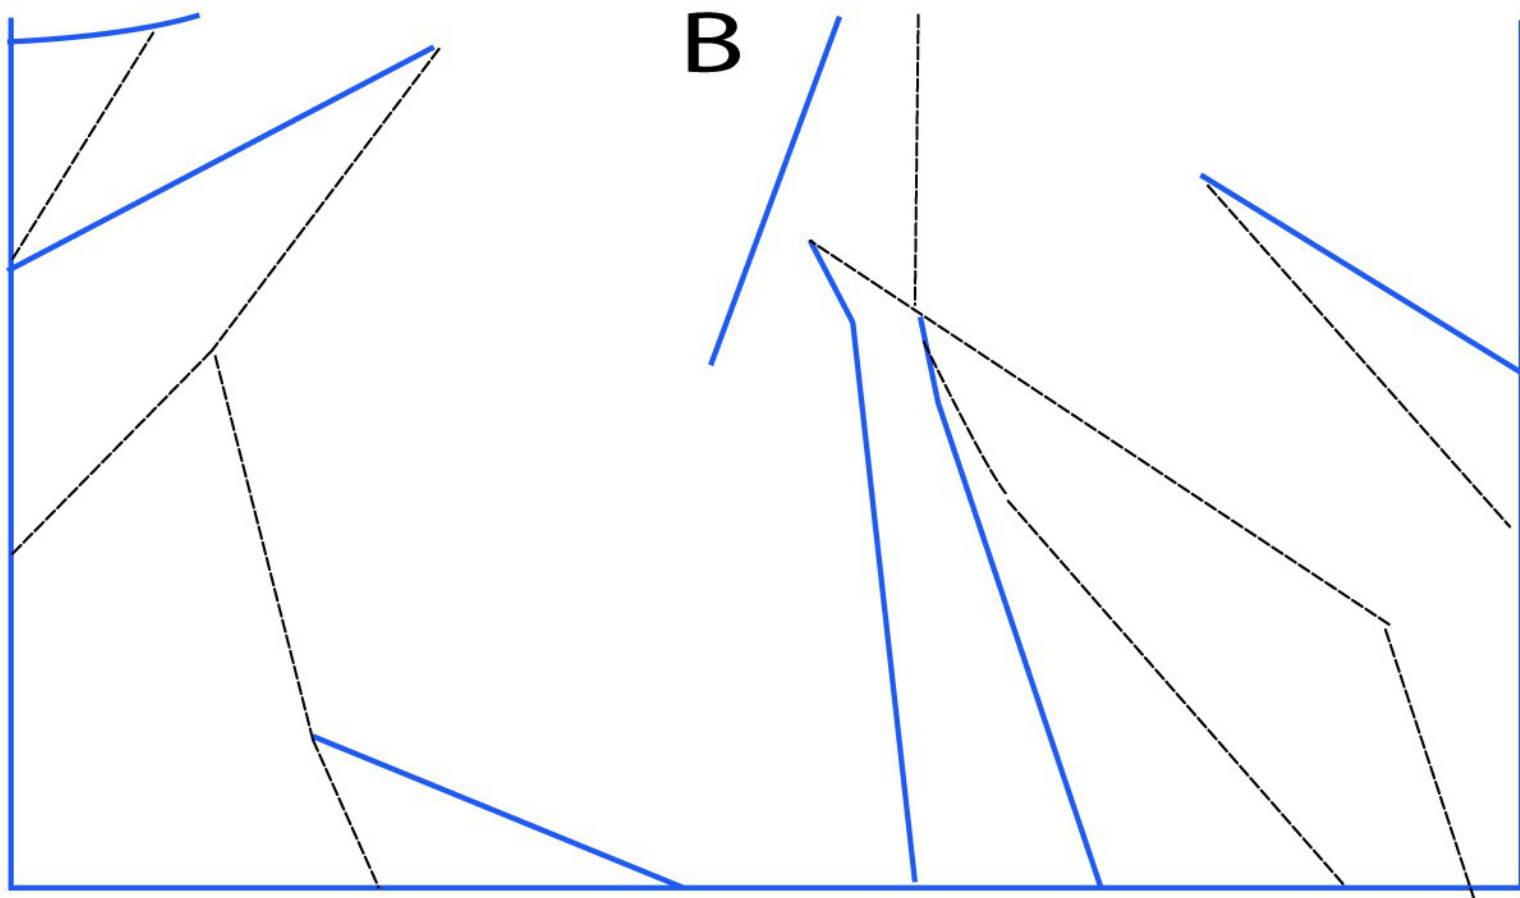

An abstract drawing on a white page, enclosed in a blue rectangular border. The drawing consists of various blue and black lines. Some lines are solid blue, while others are dashed black. The lines form a complex, non-representational composition. In the upper left, there are several intersecting blue lines. In the center, there are some blue lines that resemble a stylized face or a set of wings. In the lower right, there is a blue line that curves upwards. In the bottom center, there is a blue line that curves downwards. The overall effect is one of dynamic, gestural movement.

The background of the page is filled with a complex, abstract pattern of intersecting lines. Some lines are solid black, while others are dashed black. These lines form various geometric shapes, including triangles, quadrilaterals, and irregular polygons, creating a sense of depth and movement. The lines vary in thickness and orientation, some running parallel and others crossing at sharp angles.
